PERSONAL AND CONFIDENTIAL

Dear Frank:

Wesley G. Enochs is on our Confidential File. Sorry that he has embarrassed us by showing an old registration card. If you come in contact with this man, ask him to show you his certificate and you will see that it is outdated.

We treat our confidential cases as the name implies. If the police want any more information on this case, I think it would be best to tell them to contact the San Bernadino County Court, San Bernadino, Calif. (May, 1956) and the Los Angeles County Court, Los Angeles, Calif. (June, 1956).

Once again, many thanks for the good time in Indianapolis.

Sincerely yours,

Dear "Skipper":

It was a real pleasure to have you and Martha here for the Appreciation Dinner and I want to congratulate you and thank you for the terrific job you did at our dinner. You maybe interested in the reaction I have had from a number of our Scouters who said, "After Bob Richards' terrific speech last year, I wondered what you could do this year to maintain the pace and I feel Mr. Wilson certainly did an excellent job and this meeting was as great as last years'." This is a real compliment to you and I am very happy about the reception and the wonderful job you did.

Certainly, the turnout at the Past Presidents' luncheon was a marvelous tribute to you. You did a great job here and you are doing another outstanding piece of work as the National Personnel Director.

I had an interesting request last Friday from a Richard Kelley who is the owner of a filling station on the northside. Mr. Kelley stated he had hired a man named Wesley Enochs for two months who stole \$200 from him, cashed a number of bad checks, ran out on his landlady and even talked Mr. Kelley into a car which he ran off with. A man who flew Enochs to Indianapolis from Idaho stated he had lived in Kansas City and had in his wallet a registration card as a leader in Scouting. Do you have a record on a man from Kansas City by this name or under the name of Glen Lewis? Do you ever give this information to the police or am I getting into something I ought to stay out of?

Please give my best regards to Martha. I enjoyed sitting by her at two dinners and she is a wonderful person. You wouldn't be where you are today without the wonderful support you get from Martha. Probably nobody in the United States knows better than you the importance of a loyal dedicated wife.

Yours truly,

Dear Basil:

Certainly enjoyed chatting with you here in Kansas City and appreciate your time and recommendations.

Enclosed is information regarding Wesley G. Enoch that you requested. We had talked about transcribing the tape recording that was made with Mr. Enoch but after listening to the tape and talking with Dr. Soule I do not feel it would add much more than just "volume of information". If you feel you have sufficient information for your files on this gentleman, with the enclosed material, then we will not transcribe the tape and destroy same. But, if you would like to have the tape transcribed for your files we would be most willing to do so.

Kindest personal regards. Say hello to Walt Hooper when you see him.

Cordially yours,

Ernest H. Wilson

INFORMATION REGARDING

WESLEY G. ENOCH

Editorial from "Kansas City Times" called "About Town" by Landon Laird.

"A HOAX has been pulled on two Boy Scout troops, one white and one Negro, in Kansas City. We get the story from Jerry Penzer, 8300 W Ninety-second Street, Overland Park, a Scoutmaster in the case.

It seems that 11-day trips to Detroit, Niagara Falls, New York, Washington and Chicago were promised by an anonymous benefactor, who wanted the boys to have a good time and see something of the United States. Great plans were made by the youngsters until the denouement: the "benefactor" vanished. It's a tough jolt to little boys' hopes."

Wesley Enoch initiated plans which were never carried out and proved to be a hoax.

Following information secured from John R. Lewis, District Executive, Kaw Council, Kansas City, Kansas:

Wesley G. Enoch contacted Troop sponsored by Cherokee Hills Community Church Brethren, offered Troop Committee to secure permanent Troop campsite from friend. Troop visited campsite, but committee later found out that owner did not know Mr. Enoch and site could not be made available on permanent basis.

Mr. Enoch suggested to Troop Committee that their Troop (White Scouts) make a tour throughout the East Coast with another Troop (Negro Scouts). Schedule was to have included Chicago, Niagara Falls, New York, Washington and several other points of interest. Mr. Enoch informed Troop Committee that a wealthy benefactor friend of his would underwrite the cost of the trip - \$20,000.00 was quoted.

Troop Committee arranged for buses and sleeping facilities for the tour. When they approached Mr. Enoch he promised them that he would see that an initial check was sent. After some delay they approached him several times and when situation became somewhat embarrassing to Troop Committee a forceful visit with Mr. Enoch the fact developed that there was no benefactor and that the whole thing was a hoax.

DYKES_I_011597

A previous attempt with a similar plan by Mr. Enoch was made with one of the Troops in the Kansas City, Missouri Council, but fortunately it was spotted by the local District Executive and immediate steps were taken to remove Mr. Enoch from relationship with that Unit.

Supposed benefactor identified by Mr. Enoch was contacted and indicated that he did not know Mr. Enoch and was very sorry that his name had been used to perpetrate such a fraud, especially with boys and parents involved.

Re: Wesley G. Huch

Attention: Ernest H. Wilson

Dear Ernest:

The first step in sending us information concerning a Scouter, you have already taken. That is writing a letter giving the reason why a request is made. The next step is to complete a confidential record sheet, so that we will have a means of identification, should he attempt to register. I am enclosing one.

You do not say whether he is registered now and we do not have any information about him, so assume that he was not in Scouting when he got into difficulty. If he is now registered, please tell us where on the record sheet.

It will be helpful if Mr. Billings would give you a confidential statement why he is on parole in Kansas City and perhaps spell out a little more of your statement "crime against a child". You can assure Mr. Billings that such statements are kept under lock and key and shared with no one.

Sincerely yours,

Dear Basil:

Please inform me as to the proper procedure to be followed to see that a man is placed on the confidential list.

Wesley G. Enoch of 11208 Lake View, Raytown, Missouri, should not be permitted to register with the Boy Scouts of America.

This man was convicted on two charges in California on a "crime against a child". He is presently on parole to the Probation Office here in Kansas City and in view of recent activities with two Troops in our Council and one Troop in the Kaw Council I feel we should take whatever steps necessary to restrict his participation in Scouting.

I have been working closely with Mr. Clyde Billings State Parole Officer and will supply whatever information you may need.

Personal regards.

Sincerely yours,

Ernest H. Wilson
